

Candlelight & Fundraising Parties

The term "Candlelite" came from years ago when lights were turned off and candles were placed between the lanes. Probably after burning down a few houses, other lighting was used.

Thinking of having a large corporate, family, or fundraising event of 48 people (3 couples per lane/8 lanes) or more? Why not come bowling! Laraway Lanes offers special arrangements for large groups.

During the fall "League Season", September thru May group parties are available on Saturdays from 2:00 PM to 5:00 PM or Saturday evenings after leagues (about 9:30 PM) to 12:30 AM.

During the summer, different days and earlier times are available.

Price of \$ 13.00 per person includes:

-  3 games of bowling per couple, (Couples alternating shots)
-  Shoe rental and use of house bowling balls
-  Use of tables for setting up raffles, etc.
-  Cosmic bowling where lights are dimmed and laser lights are on
