Weeks 1-10, 11 position round \* Weeks 12-21, 2nd position round - Weeks 23-33, 3rd position round  
Week 33 – The winners of each 1/3 (or 2<sup>nd</sup> place if a team has already won a third) plus 1 wild card (Team with most season points without qualifying for any Third)will roll off to determine the league champion.  
  
**Roll Off Rule**: The 4 playoff teams will be ranked by total wins and compete in a stepladder final. Lanes to be used for match play and Championship to be determined based on amount of teams.
  - First match: 4<sup>th</sup> seed vs. 3<sup>rd</sup> seed

9. Handicap is 90% of 220 per bowler. USBC book average from previous season will be used for the first 3 weeks while new bowlers will establish average.

10. We have to pay for every bowler/lane that we use for scoring. Vacant bowlers count towards payment. Any shortages in the league account will be deducted from that team's prize money. If a team is missing a bowler, please have your team's captain let the league secretary or any league officer know if there is a problem in finding a replacement. We will do our best to help you find someone.
11. Bowling fees are \$20.00 per bowler per week for the 2023-2024 bowling season. The breakdown of the league fees are as follows:
  - Lineage \$ 12.75 per week
  - Prize Fund \$ 7.25 per week
  - Secretary/Treasurer \$ 400.00 (Donation to Laraway Youth Scholarship Fund) per season

Team prize money is given to the team captain at the end of the season to be distributed to the team members.
12. The team captain's responsibilities are to make sure all league fees are paid each week. Don't let your team get behind in the weekly fees as any team's shortages are deducted from the team prize fund at the end of the season. The league does not absorb the loss. The last 2 weeks bowling fees will be due by week 30 (March 29, 2024). No checks will be accepted the last 2 weeks of bowling.
13. A person can be no more than two (2) weeks behind in paying for bowling. If they are, their score does not count. All money must be completely paid for by position rounds or that individual cannot bowl. After position round, if the fee is still not paid, bowling for that individual person will not be allowed until paid in full. Their scores will not count and they will receive a ZERO (0) for all games until paid. Please talk to the treasurer if there are any issues.
14. Scoring System: This is a seven (7) point system; two (2) points per game and one (1) point per series. Team standings are based on total points and games won/lost.
15. The absentee score is the bowler's average minus ten (10) pins with that bowler's handicap. Individual vacancy score will be 120 with a 90 handicap.
16. Tardiness – Tardy bowlers will be allowed to catch up, provided that they notify the opposing team captain that they are present before the end of the 5<sup>th</sup> frame of the opposing team. Those who come in later will not be allowed to PACE.
17. All new subs need to check in with an officer before bowling starts. No new subs may be added to the 8 person roster during the last six weeks of bowling. This year's cutoff date is March 01, 2024. In case of an emergency, a captains' meeting can be called to vote on amending this rule.
  - a. Floating Sub Rule:
    - i. Cannot bowl position round
    - ii. Must pay sanction fee
    - iii. Cannot pre-bowl

18. Forfeit Rule – A legal team must have two (2) members on their roster present by the end of the opposing team’s first frame. Failure to fulfill this requirement will result in the team’s ineligibility for points for that game. If a team does not have a legal lineup, the opposing team does have to bowl their team average minus forty (40) pins in order to win their points. Scores still count towards averages for the bowlers that do bowl.
19. Legal Line-up – Each team must have two (2) permanent bowlers at the beginning of the 1<sup>st</sup> frame of the first game to be considered a legal line-up. Pre-bowls count. All subs on a team’s roster need to be sanctioned.
